St John's at Willaston is setting up a new Toddler Group this autumn.

ABC will run every Thursday morning in term time for parents and carers and their babies and children, and will offer a relaxed, welcoming environment for coffee and chat, support, craft, songs and a story with a Christian message.

They are having to start almost from scratch and are looking to raise funds to purchase toys, books and other items.

Please visit their Justgiving site if you would like to donate, and please do spread the word so that we can spread the Word in Willaston!

Hello friends across the Circuit!

Some of you may have heard of the Oneprogramme which is a scheme about equipping, empowering and encouraging young people in their discipleship, vocation and leadership.

It is part of the Methodist Church's Youth Participation Strategy and has so far involved around 80 young people, aged 16 – 23, as ONE PROGRAMME PARTICIPANTS (OPPs) – taking 'a year on'

And making a difference in a variety of projects around the country. Would you and your church or project in this circuit like to apply for a One programme participant to begin in September 2019?

If so, I am hoping to co-ordinate and assist with applications in the circuit.

(However, just to let you know that there are only 11 places across the Connexion!). Please do contact me and look at this link:

<https://www.methodist.org.uk/our-work/ourwork-in-britain/children-and-youth/one-programme/>

It will also be possible to access assistance and information from our new colleague Melody in the Learning Network for this region.

I look forward to hearing from you and your church or project if you would like to think about applying for an OPP!
