

Important change to Circuit Meeting!

Please note that the meeting on 13 March will take place at Coppenhall Methodist Church, Crewe and NOT at St Stephens, Crewe

Circuit Wide Youth Group

Exciting news from the Lay Worker team:

There are a few of us involved in the process of starting up a new youth initiative. This will be a circuit wide youth group. We are hoping this will bring unity throughout the circuit and also allow youngsters to realise that they are part of something bigger and meet others in a similar position to them.

By putting on a variety of events, activities, trips away and evening sessions we are hoping this will create a platform for young people to build relationships, grow in their gifts for Christ and decrease any feelings of isolation.

So we are excited to announce our first event, which is **'Hear the Call'** on **7pm, March 29th @ North Street**. This is a worship evening aimed at youth put on by some of the youngsters and leaders at Crewe-by-Farndon.

There will be more events throughout the year and we hope to get a name and a Facebook page up and running, so watch this space.
