

St Andrew's Methodist Church, Cheddleton

We are a group of people who have a willingness to connect to each other and the community, to care, to try things new and believe in "love in action". We have ideas and a range of gifts and enthusiasm. We want you to help us to make things happen in the church and community. Expanding what we offer and extending the welcome we give by further living out our Mission Statement:

"Inspired by Jesus Christ to be a lively, worshipping and caring Christian presence in the Community"

ABOUT US

Cheddleton is a large village with links to the north in Leek and the Peak District beyond and to the south to the city of Stoke on Trent.

We are a church community of approximately 40 people and an average congregation of 20-35. We have a varied worship style each Sunday morning and are keen to try new ideas .

We have good links with the Anglican congregation in the village: sharing in joint services, being involved in Open Gardens etc.

OUR CHURCH LIFE

Summer Holiday Club for First School children and good links with the First School. Godly Play in school and assemblies. We are working with the Children and Families Workers to develop this work.

We support Leek Foodbank, Action for Children, Street Pastors in Leek. We provide a base for Home Link and Friendship group.

Our premises are used for a wide range of activities including Chess Club, Lace Group, Pilates, Reading Group etc

TEAN METHODIST CHURCH, UPPER TEAN

You won't just find us in church, though that's important to us. You can meet us as we worship in the park (bring a picnic), in a packed village hall for carols, in our schools, as part of churches together...

We're always looking for new ways to reach out.
