

Enriching lives, achieving more
Charity Number 1084146

Beginning on Tuesday 24th March.

In response to the coronavirus, Poppy's restaurant is having to change the way it is providing its meals. We are no longer operating as a dining venue but instead, a meal collection service.

We will also be providing a delivery service for any person who is self-isolated and has no friends or relatives to collect meals from Hopes and Beams

The meal costs just £6.00 (just as before) and includes a freshly made homecooked main course and a dessert.

Please order by 4pm the day before you require your meal by calling **(01270) 255355**

This service is available Tuesday, Wednesday, Thursday and Friday.

Poppy's Restaurant at Hopes and
Beams, Broad Street,
